

Ergonomics Matching Funds Program

ERGONOMICS MATCHING FUNDS PROGRAM AVAILABLE FOR DEPARTMENTS WITH FINANCIAL NEED

For departments that cannot afford the necessary equipment to remove or alleviate ergonomic risk factors, the CSU Risk Management & Insurance department will provide up to 50% of the costs of ergonomic equipment for an office workstation if all necessary criteria are met and the application is approved.

Limited funding is available each fiscal year and there are restrictions and on how the funds are dispersed.

Please read the information found on the ergonomics website for more details.

Visit <http://rmi.prep.colostate.edu/ergonomics> and click on "Matching Funds Programs" for details, employee dashboard, electronic application and further instructions.

For more information on the matching funds program, contact Frank Gonzales at 970-491-6745 or Frank.Gonzales@Colostate.edu

Colorado State University
