INSTRUCTIONS FOR TESTING – PLEASE READ THOROUGHLY PRIOR TO YOUR TEST DATE.

- **IMPORTANT: If you are fully vaccinated (both shots received over 2 weeks prior to your appointment) you do not need to wear a mask. Otherwise you must wear a mask.**
- You **MUST** bring your Photo ID with you to your appointment.
- Please come dressed in comfortable clothing, sturdy close-toed work shoes or boots, and be prepared for physical activity including lifting, climbing, etc.
- You will be required to obtain a physician’s release prior to testing the following conditions: High/low blood pressure measured at appointment, insulin-controlled diabetes, inflammatory bowel syndrome [symptomatic or on steroids]; hernias [hiatal with surgery < 6 weeks, inguinal with no surgery or surgery < 5 years, midline with surgery < 8 weeks]; hemorrhoids [symptomatic or surgery <8 weeks]; epilepsy/seizure activity < 1 year; current pregnancy; open heart/bypass surgery < 2 years; major back or orthopedic surgery < 1 year post-op; and open workers’ compensation claim.)
Please contact us if you have any questions about what conditions may require a release.
- Please call Colorado In Motion directly if you need to cancel or reschedule your appointment. 24 hour advanced notice is requested. Your potential employer will be charged cancellations < 24 hours and No-Shows.
